

City Manager Order 20-01

Pursuant to Mayoral Proclamation and Council Resolution, effective March 20, 2020 at 12:01 a.m., the City of Burnsville will waive the enforcement of its sign ordinance provisions regarding temporary business signs to allow local businesses affected by the peacetime emergency proclamation to post on-premises signs informing the public of the availability and process for obtaining their products and services such as take-out or curb side pickup. This waiver will continue indefinitely until repealed by subsequent city manager order or council action.

Melanie Mesko Lee, City Manager
