BURNSVILLE VISUAL ARTS SOCIETY NEXT ROTATING ART EXHIBIT BEGINS FEB. 5

Beginning in mid-September, the Burnsville Visual Arts Society (BVAS) began a rotating art exhibit at Burnsville City Hall (100 Civic Center Parkway). New artwork is being displayed in the building in conference, rooms, hallways and lobbies throughout 2018-2019.

Each exhibit's "opening night" includes a small reception at 5 p.m. to allow the public to interact with artists and view the artwork. The next artwork rotation is:

- **Feb. 5 – May 30, 2019** (*Opening reception Tuesday, Feb. 5 at 5 p.m.*)

About the Burnsville Visual Arts Society

BVAS was formed in 1981 by a group of visionary residents from Burnsville and surrounding suburbs who came together with a common goal – to bring awareness of the arts to Burnsville. For 37 years, the organization has strived to help residents access, experience and participate in the fine arts.

Today, the BVAS vision lives to cultivate lifelong appreciation of the visual arts to strengthen and inspire creative expression through community opportunities. BVAS also serves as a resource to help promote local art events, as well as connect artists to organizations and events to display their artwork.

The public is invited to view the artwork any time City Hall is open. For more information on the Burnsville Visual Arts Society visit www.bvasmn.org or follow them on Facebook at www.facebook.com/burnsvillevisualartssociety.
