FRUIT TREES

Apple 'Honeycrisp' Qty. 3 ~~Qty. 10~~ **\$25**

Height: 15 ft
Width: 15 ft
Soil: Well-drained

Exceptionally crisp and juicy fruit. Sweet, but well-balanced. Ripens in late September.

To produce fruit, needs another apple variety nearby for cross-pollination.

○

Apple 'Sweet Sixteen' Qty. 7 ~~Qty. 10~~ **\$25**

Height: 15 ft
Width: 15 ft
Soil: Well-drained

Medium-sized red striped apple with crisp, juicy texture. Sweet, unusual flavor. Outstanding dessert apple. To produce fruit, needs another apple variety nearby for cross-pollination.

○

Tree Sale Rules

- Burnsville residents only
- Limit two per household
- Trees carry no guarantee
- Trees cannot be picked up at a later date

Planting Tips

- Call Gopher State One-Call (651-454-0002) before digging
- Plant bare root trees immediately
- Permit required to plant within boulevard right-of-ways
- Consider placing protection around trees for the first few years - until they are well established - to protect against damage from deer and rodents
